# Dentally Speaking

## Dental Health Week with Dr. Tooth!

August is a month that Australia celebrates dental health. Finesse Dental promotes oral health awareness to our local community during this month. Among our many initiatives for community benefit, this year we added another member to **Finesse family- DR. TOOTH!**

### Meet our **NEWEST MEMBER !**

As part of the Australian Dental Association we are always encouraging adults and children to have good oral health through life. To celebrate "Dental Health Week" we have Dr Tooth at the Stanhope Shopping Centre and Blacktown Leisure Centre, promoting the importance of good oral hygiene and encouraging you to **GET YOUR TEETH CHECKED!**

We take pride in looking after our patients and our community using the best approach and by ensuring we deliver the best possible outcome for you.

If you have not had your 6 month check it will be a good idea to make an appointment to get a check on your dental health. And don't forget to check out our latest offers to provide you the best care at affordable fees.

Testimonial- "I can highly recommend Finesse Dental, from the friendly staff to the absolute best care from Dr. Robby. It was a lifetime dream come true when Dr. Robby transformed my teeth with the '6 Month Braces'. Every appointment was a good experience and after the treatment my confidence to smile has improved my life. Thank you Finesse Dental team." Caroline
