At Finesse Dental, we understand that dentistry isn't just about improving the appearance of your smile – it's also about function. There is no point improving your smile only to have this require constant attention due to breakage or discomfort. We will always carefully consider the full effect of each treatment that we complete.

Staff Dinner at Hurricanes Grill

- 1) To welcome our new dentist – Dr Brittany Leong and new dental assistant – Beena
- 2) To celebrate the birthdays of our 2 receptionists – Carizza and Rounika.
