**We are Australia's Largest INMAN ALIGNER Provider!
Straight smiles in 4-16 weeks!**

We are proud to announce that Dr. Robby Sehmi is the largest provider of Inman Aligner in Australia.

The [Inman Aligner](#) is the perfect solution for crowding or protrusion of the front teeth. It is fast, very safe and great value compared to other systems. With the patented Inman Aligner, your front teeth can be gently guided to an ideal position in a matter of weeks. Most cases complete in 4-16 weeks and because it's removable you can take it out to fit with your lifestyle.

Curious on what it can offer? We are currently offering a **FREE SMILE CONSULTATION**. [Book now](#) and find out if you have your dream smile come true.

'My experience at Finesse Dental was absolutely fantastic from the very start. Robby was able to determine what treatment would best suit my dental concerns and lifestyle and gave me the option to choose what I felt would work best (Inman Aligner!). I'm so happy with the results and get comments all the time from people about how great my teeth look! Robby and his team were always so lovely and professional and have definitely found a client for life in me.'
