Smile Makeover and Treatment

The significance of your smile cannot be overstated – it is the first thing that anyone notices about you, and can leave a long lasting impression on strangers and friends. It also plays a vital role in building your confidence, improving your facial appearance and increasing your self – esteem. Amending your smile is one of the greatest improvement that you can make. What's the wait for?! Our team at Finesse Dental can design a Smile Makeover that will completely transform your appearance – and improve your quality of life. Smile Makeovers can completely transform the health and appearance of your smile. They combine several Cosmetic Dentistry treatments to help you achieve the perfect smile. These treatments may include; Tooth Whitening, Porcelain Veneers, Porcelain Crowns, Bridgework, Invisalign and many more.

A Smile Makeover will aim to;

- Rejuvenate discoloured / stained teeth
- Close or conceal gaps between teeth
- Reduce overcrowding
- Cover blemishes
- Replace missing teeth
- Repair cracks
- Straighten crooked teeth
- Improve appearance of gums

A Smile Makeover is your opportunity to start afresh – recapture your dental health and overall well-being while creating a stunning new smile.

Christmas Celebration

Finesse Dental team also came together and had their Christmas celebrations this month. It was a wonderful evening with exceptional group of people. The team wishes you and your family a **Merry Christmas** and well wishes for the **New Year**.

'Finesse Dental top tip for Oral hygiene'

People undergoing orthodontic treatment need to have impeccable oral hygiene. Flossing is the key, even if it may seem impossible with the appliance or braces you have on. Floss threaders such as superfloss can be purchased at your local chemist or grocery store.
