

# Is Your Treatment Plan Still Pending?

**Dear Patient,**

Thank you for trusting us with your Oral health care.

In our busy and hectic lives, we often forget how long ago, we were meant to look after the health of our teeth and act upon our Dentist's advice.

Our advice is with you on 'your personalised **TREATMENT PLAN**' that you would have received from us at your last visit.

As a valued patient, we would like to remind you that perhaps you still have your full or partial treatment plan pending...something that you had planned to book in near future but just lost track of time.

We just want to make sure that the delay in your treatment does not cause any further damage to your teeth, thereby adding new treatment that could be avoided by acting in time.

This is a **REMINDER** to you to book your next step of treatment by either calling us on **8824 4800** or booking your next appointment **online** at [www.finessedental.com.au](http://www.finessedental.com.au).

We are here at your service M-F 9-6pm and Saturdays and hope to continue helping you with your dental needs.
